DIG IN FOR NEW DIGS

American Baptist
Women’s
MINISTRIES

Goal: Raise \$40,000!

The ABC Mission Center in Valley Forge, Pennsylvania, has been the proud home of American Baptist organizations for over 50 years. Due to the building's aging infrastructure and the reduction of onsite staff, denominational partners determined that it would be the best stewardship of God's resources to find new office space that better suits the denomination's needs.

AB Women's Ministries offices will be moving with denominational partners into a new building in the fall of 2018.

The national board of AB Women's Ministries is launching a 60-day campaign to raise the money needed to outfit our new national office space. Our goal is to outfit our new ABWM national offices, which are our new "Digs."

Our New Office Will Offer Us!

Our new "Digs" will have fully functional offices for our staff. They will also have conference rooms for meetings, a learning and research center, and up-to-date technology. Staff will be able to interact easily with denominational partners and other organizations to further the goals of AB Women's Ministries more creatively and collaboratively.

With this move comes the challenge of new expenses.

We, the women of AB Women's Ministries, are responsible for making sure our national offices are as effective as possible for today's ministry. Together we can make that happen!

We, the national board, invite all American Baptist women in every state and every region in the U.S. and Puerto Rico to work together to raise \$40,000!

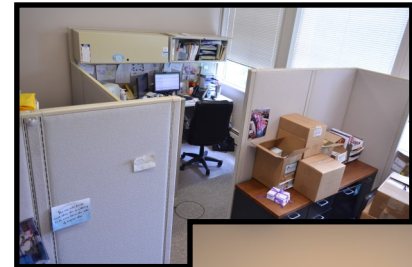

How to Help

Your contribution will purchase new computers, a new phone system, chairs, tables, and audio-visual equipment.

Invite friends to give! The move brings both new opportunities and new costs. Spread the word!

Reach out to your state/region, associations, local churches, and communities!

Give your best gift to "Dig In For New Digs!" Let's make this a successful campaign!

Help make the new AB Women's Ministries offices a reality!
